7.1.3. BEYOND CAMPUS INITIATIVE

1. Tree Plantation

Introduction

The Tree Plantation Drive was conducted as part of our commitment to environmental sustainability and community engagement. The event aimed to enhance the green cover of our campus, contribute to the global fight against climate change, and raise awareness among students and staff about the importance of trees in maintaining ecological balance.

Objectives

The main objectives of the tree plantation drive were:

1. To increase the green cover.
2. To involve students and staff in environmental conservation activities.
3. To educate participants about the benefits of trees and the importance of biodiversity.
4. To promote a sense of responsibility towards nature among the college community.

1. Opening Ceremony: The event was inaugurated by the Principal, who emphasized the importance of trees and sustainable living. A keynote speech was delivered by a renowned environmentalist.

Ms. Sandhya F. Dokhe

Siddharth College of Law
Anand Bhavan, Fort
Mumbai - 400 023

2. **Plantation Process:** Participants were divided into groups, each led by a faculty member. Instructions on proper planting techniques were provided.
3. **Maintenance Guidelines:** Post-plantation care instructions were given, including watering schedules and protective measures against pests.

Outcomes

The tree plantation drive was a resounding success, with the following outcomes:

1. **Number of Trees Planted:** A total of 50 trees were planted across the designated areas.
2. **Increased Green Cover:** The new trees are expected to significantly enhance the greenery on campus.
3. **Community Engagement:** The drive fostered a sense of community and shared responsibility towards environmental conservation.

Feedback

Feedback from participants was overwhelmingly positive. Many students expressed a desire to engage in more such activities. Suggestions included organizing regular tree care workshops and expanding the plantation area.

Conclusion

The Tree Plantation Drive was a significant step towards creating a greener and more sustainable campus. It not only beautified our surroundings but also instilled a sense of environmental stewardship in our college community. We look forward to continuing our efforts in promoting ecological balance and sustainability.

2.SWACCHATA ABHIYAN

INTRODUCTION

The Swachhata Abhiyan was organized to support the national cleanliness campaign initiated by the Government of India. This event aimed to promote hygiene, cleanliness, and sustainable waste management practices within the college campus and surrounding community. The drive was part of our ongoing efforts to foster a culture of cleanliness and environmental consciousness among students and staff.

Objectives

The primary objectives of the Swachhata Abhiyan were:

- ✓ To raise awareness about the importance of cleanliness and hygiene.
- ✓ To engage students and staff in cleaning and beautifying the college campus.
- ✓ To educate participants on sustainable waste management practices.
- ✓ To contribute to the broader national campaign for a cleaner India.

Date and Time

The Swachhata Abhiyan was held on
[1.10.2022], from [8.30 AM] to [12.30 PM].

Participants

The event saw active participation from:

Students: Over 75 students from various departments.

Faculty and Staff: 10 members.

Community Volunteers: Local residents and alumni.

Activities

1. Inauguration: The event was inaugurated by the Principal, who highlighted the importance of cleanliness and the role of youth in building a cleaner India.
2. Campus Cleaning: Participants were divided into teams, each assigned specific areas of the campus. Tasks included picking up litter, sweeping pathways, and cleaning classrooms and common areas.
3. Waste Segregation: Special focus was given to segregating waste into biodegradable and non-biodegradable categories. Bins were labeled and placed strategically around the campus.
4. Awareness Sessions: Interactive sessions on sustainable waste management practices were conducted by environmental experts.

Tools and Equipment

To ensure the effectiveness of the campaign, the following tools and equipment were provided:

1. Gloves and Masks: For protection.
2. Brooms and Dustpans: For sweeping
3. Garbage Bags: For collecting waste.
4. Recycling Bins: For waste segregation.

Outcomes

The Swachhata Abhiyan was a great success, achieving the following outcomes:

1. Enhanced Cleanliness: The campus was significantly cleaner and more hygienic post-event.
2. Increased Awareness: Participants gained a better understanding of cleanliness and waste management.
3. Community Engagement: Strengthened ties between the college and the local community through collective action.

4. Waste Management Practices: Introduction of new waste segregation and recycling practices on campus.

Feedback

Feedback

Feedback from participants was overwhelmingly positive. Many appreciated the hands-on approach to learning about cleanliness and waste management. Suggestions for improvement included more frequent clean-up drives and additional workshops on environmental sustainability.

Conclusion

The Swachhata Abhiyan at [Ganesh Talav and nearby area] was a significant step towards promoting cleanliness and environmental awareness. The active participation and enthusiasm of students, staff, and the local community were instrumental in the success of the event. We are committed to continuing our efforts in fostering a clean and sustainable environment.
